TRANSITIONAL CARE

GRANDPARENTS DAY: SEPTEMBER 7

Grandparents Day celebrates the important role grandparents play in families and society, highlighting their unique contributions and strengthening intergenerational bonds. Looking for ways to celebrate? Here are some ideas to get you started:

Family Gatherings: Enjoy a meal together, whether it's dinner or afternoon ice cream. Share stories, memories, and quality time with one another.

Activities Together: Spend the day doing activities

grandparents enjoy, like listening to music, bowling, gardening, or playing cards and board games.

Video Messages: For long-distance families, arrange video calls or send video messages to connect. Text or email photos if you're not able to arrange a video call.

Take the time, Sunday, September 7 to recognize, appreciate, and celebrate the unique impact grandparents have on our lives through their wisdom, support, and love.

SEPTEMBER IS
COURTESY MONTH:

Small Gestures, Big Impact

In a busy world, simple kindness can go a long way. Courtesy, whether it's a warm hello, a thoughtful thank-you, or holding

the door open, has the power to brighten someone's day and create a ripple effect of positivity.

And just in time: **World Gratitude Day is September 21**, a perfect reminder that showing appreciation is one of the kindest acts of all. Whether you're thanking a caregiver, sending a note to a friend, or simply offering a smile, these moments of connection matter.

Kindness doesn't have to be grand. It can be as simple as listening patiently, sharing encouraging words, or reaching out just because.

This month, try a daily act of courtesy or gratitude. You never know how much it might mean to someone or how good it will make you feel too.

**Ms. Mary. G
has been voted
Resident of
the Month!**

Mary has been a devoted
housewife and caregiver
from Harleton!

Welcome New Staff

My name is Jann Epps. I am the Assistant Director of Nurses. I have been a nurse for 25 years. I have been married to my best friend for 28 years. We have three amazing children and three perfect grandsons. I have worked at Treviso for 1 year and 2 months. I love taking care of people and making a difference in their lives. I love getting to meet new people and hear about their life accomplishments and experiences. I take pride in healing wounds and making the patients feel loved.

One of my favorite quotes is **"Let us never consider ourselves finished nurses... we must be learning all of our lives."** – Florence Nightingale

Short-Term Therapy Success

This man that needs no introduction as he is pretty well known here in East Texas. Mr. Steve Z., AKA Coach "Z", coached girls' basketball for a number of years and also held administrative positions, with his last being the Assistant Superintendent of Carthage ISD from 2008-2020.

Coach "Z" admitted to Treviso on 7/8/25 after a recent hospitalization due to spine surgery. Upon completion of his PT and OT evaluations, he was requiring Min assist for all of his activities of daily

living, bed mobility, transfers, and ambulation @ 50 ft with a rolling walker. It was never a dull moment as he shared many stories and his experiences from throughout his career. Coach "Z" had an incredible work ethics and gave 110% each and every day that he came to the rehab gym. His drive and determination and will to get better yielded hum quick results during his journey here. 07/19/25 was a sad yet glorious day as he was able to discharge home. Coach "Z" is now performing all of the above stated with SBA and is ambulating 500 ft with a rolling walker. We are so proud of all the marked progress that you made and wish you the best of luck as you transition back into your home. It has been an absolute pleasure working with you and going to miss the conversations. – Josh B.
