**NATIONAL PLAY DAY:  
YOU ARE  
NEVER TOO  
OLD TO PLAY!**

**July 19 is National Play Day, a reminder that play does not have an age limit.** Whether you are 9 or 90, play has a way of lifting the spirit, sparking laughter, and bringing people together. It is one of the simplest ways to feel young at heart. In a month that also celebrates staying social and connected, play is a natural fit, especially when shared across generations.

There are so many ways to join in the fun:

- **Bean bag toss or cornhole in the yard**
- **Balloon volleyball or indoor bowling**
- **Games like left-right-center, checkers, chess, or cribbage**
- **Card games such as Uno, euchre, bridge, or rummy**
- **Classics like Battleship, Scrabble, or Connect Four**
- **Music, dancing, or playing piano, guitar, or another instrument**
- **Handheld video games or phone apps**

Play also brings back memories of simpler days, like neighborhood baseball games, riding bikes until dinner, or afternoons at the swimming pool with friends. Those spontaneous “play dates” were really just time spent enjoying life outdoors.

On National Play Day, try something familiar or something new. Gather with friends or family of all ages, have fun, stay connected, and simply play!
